It is with great gratification that I testify to the efficacy of Williams's Anti-Pyspeptic Elixir, which you so strongly recommended to me, and for which I heartly thank you; it has completely restored my health, which I cheerfully publicly acknowledge, with the hope that others may be similarly benefitted.

OCTOBER 10, 1856 Dear Sir :- Having suffered for a long time from Dyspepsia so severely that I was completely prostrated and having tried every means for relief without ccess, I was advised to use your "Anti-Dyspetic Elixir." It affords me much pleasure to inform you, that I am entirely cured by its use, and I cordially recommend it to all persons suffering under Dyspepsia;

Very respectfully, &c.,

GEORGE WOODRUFF, Cornwell's Half-way House, Bristol Turapike.

Testimony of Mr. Abner Elmes, Market street, above the summer of the year 1853; a servant of mine, a boy about 19 years of age, whe had always before this time been stout and of a vigorous constitution, was attacked with gravel. A Physician was called who attended on him for several months, during which time he grew worse daily until he was helpless, and I believe would have died in a few days had it not been for a friend, who advised the use of Cowan's Lithoutriptic. I procured a few bottles, the first of which gave him renef, and in a short time he was able to walk about, and finally fully recovered; since which time he has had no symptoms of said disease, and to all appearance is as healthy as any servant on my plantation. I there fore recommend it to all persons suffering under like disease, as one of the most certain remedie known.

Testimony of Mr. Abber Eines, Market street, above Sixth, corroborative of the efficacy of Williams's Danti-Dyspeptic Elixir.

In the year 1835, hearing from others high recommendation of your Jackson, Tenn., August 22, 1851.
